AUDUBON

MOCKING BIRD

FOOD,

CAREFULLY AND PROPERLY PREPARED.

The healthfulness of this article as food for MOCKING BIRDS, ROBINS, BLACK BIRDS, THRUSHES, and all other soft bill birds, has been demonstrated to satisfaction. Birds not only relish it, but seem to improve in health, in plumage and in song. It has been the aim of the manufacturer to approach as nearly as possible the food upon which these beautiful songsters live in their wild state.

CAUTION—As much of the bird food sold over the country, is made with an eye more to the cheapness than to the quality of the ingredients used, we advise anyone having a "finger they value," to purchase none but Audubon Mocking Bird Food.
